

**REMARKS**

In the office action mailed 12/13/2005, claims 13-22 were pending and rejected on the ground of nonstatutory obviousness-type double patenting as being unpatentable over claim 1 of U.S. Patent No. 6,622,433. Accordingly, a terminal disclaimer is filed herewith in compliance with 37 CFR 1.321(c).

In light of the filed terminal disclaimer, Applicant respectfully submits that claims 13-22 are in condition for allowance, requests reconsider of these claims accordingly and requests that this application be passed to issuance. If, however, the Examiner believes that any issue remains that requires clarification, the Examiner is invited to call the undersigned attorney of record at the number indicated below.

Respectfully submitted,
